Hacker Rank: <https://www.hackerrank.com/profile/babiverma1707>

I am interested in Web Development and AI Automation. I know the basics of HTML, CSS, Python, C, and C++. I also use n8n to create simple automation workflows. I like to build useful and user-friendly projects. I am always ready to learn new technologies and improve my skills.

PROJECTS

Employee Management System - React.js | .NET Core | MySQL

- Developed an Employee Management System using React.js, .NET Core, and MySQL.
- Created a simple and user-friendly interface using React.js.
- Built the backend using .NET Core and connected it with the frontend.
- Used MySQL to store and manage employee data.
- Added features like Login, Add, Update, Delete, Search Employees, and Admin Dashboard.

Personal Portfolio Website - React, JavaScript, HTML, CSS

- Designed and developed a personal portfolio website to showcase projects, technical skills, and achievements
- Built responsive layouts and smooth navigation to ensure compatibility across devices
- Implemented reusable components and clean UI design for better user experience
- Deployed the portfolio using modern hosting platforms and maintained the codebase using GitHub

Guess the Number Game— HTML, CSS

- Developed interactive web-based game demonstrating frontend skills...

N8N - WORKFLOW PROJECTS

- AI Chatbot Automation Agent — *n8n, AI Automation*
- AI-Powered Restaurant Ordering Agent — *AI Automation*
- AI Doctor Appointment Booking Agent (Telegram Bot)— *AI Automation*
- Personal AI RAG Agent (RAG, LLM, N8N)

EDUCATION

Bachelor of Computer Applications (BCA)

Maharana Pratap College of Professional Studies, Kanpur

2024 – 2027

INTERNSHIP

Full Stack Developer Intern - Remote/Office

- Worked on an Employee Management System using React.js, .NET Core, and MySQL.
- Used AI tools to understand the code, build features, fix issues, and complete the project

SKILLS

Programming Languages: Python, C, C++, SQL

Web Technologies: HTML, CSS, (Basic) JavaScript

Tools & Software: MS Word, Excel, PowerPoint, GitHub, Visual Studio Code, Hacker Rank

Concepts: Problem Solving, Automation Workflows, Teamwork, Communication

EVENT COORDINATOR - COLLEGE EVENT

Planned and coordinated the event with the organizing team

Managed volunteers and ensured smooth event execution.

Certifications & Achievements

O Level Certification (NIELIT)

CCC -Course on Computer Concepts (NIELIT)

Certified Super77 Leadership Program

Top 10 – Python Mania 3.0 (College Technical Event)

Certificate of Participation– Fusion Fest (College Fest)
